

A Venn diagram illustrating the overlap of three tools: IRIS, CodeQL, and Semgrep. The diagram consists of three overlapping circles. The left circle (purple) contains the number 9. The right circle (teal) contains the number 3. The bottom circle (yellow) contains the number 1. The intersection of all three circles contains the number 1. The intersection of IRIS and CodeQL contains the number 6. The intersection of IRIS and Semgrep contains the number 3. The intersection of CodeQL and Semgrep contains the number 1.

Region	Count
IRIS only	9
CodeQL only	3
Semgrep only	1
IRIS & CodeQL	6
IRIS & Semgrep	3
CodeQL & Semgrep	1
All three	1
